Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: French . Brand New Book ***** Print on Demand *****.C est un ouvrage qui occupe une place a part dans l oeuvre de Sade. Ici, il n est point question d erotisme et encore moins de sadisme . C est un ouvrage que l on se doit de lire tant il est interessant de voir comment l auteur de Justine ou les Malheurs de la vertu a su adroitement transformer un faits divers scandaleux qui s est deroule sous le regne de Louis XIV en un veritable roman noir. Sade s inspire ici meurtre le 17 mai 1667 de la marquise de Gange assassinee par ses beaux-freres avec la complicité de son mari, comme pour marquer du sceau de l Histoire une intrigue dont chaque ressort semble issu de son imagination: en s autorisant l univers le moins sulfureux qu il ait jamais conçu, il se drape dans une apparente innocence pour mieux devenir le temoin impassible de ses propres abimes.
