A place called home. From Your Heart to Your Home covers all of this from the front sidewalk, through the rooms in your home to the backyard. This book will teach you how to refurbish furniture, to grow and harvest plants and herbs, to add scent everywhere in your home, to create, to learn, to have fun and to see your home through your heart. Let s craft, sew, decorate, celebrate holidays, write a journal, do things with our kids, introduce comforts into our lives, let s make potpourri and sachets, remake our bed, make homemade beauty products, make herbal crafts like a tussie mussie, feed the birds, cook, make vinegar bottles and herbal butter, learn to care for a cast iron skillet, supply our own tool box and learn the differences in paint. Let s be aware of some financial problems that plague us daily, the interest of charge cards, learn what BPA is and do some little reading about God. Let s get started. I have lots to show you.
