Condition: Neu. 190x247x26 mm. Neuware - Deliver professional-level 3D content in no time with this comprehensive guide to 3D animation with Maya. With over 12 years of training experience, plus several award winning students under his belt, author Adam Watkins is the ideal mentor to get you up to speed with 3D in Maya. Using a structured and pragmatic approach Getting Started in 3D with Maya begins with basic theory of fundamental techniques, then builds on this knowledge using practical examples and projects to put your new skills to the test. Prepared so that you can learn in an organic fashion, each chapter builds on the knowledge gained in the previous chapter, showing you all the essentials of 3D in Maya, from modeling and UV layout, to texture creation, rigging animating and rendering. As you go from project to project you'll develop a strong arsenal of skills that combined will form a complete end to end process to creating complete projects in Maya. The accompanying website provides all the tools you need to develop your skills. Project files to accompany the practical examples used throughout the text, so you can work...
