It may also be listened to after completing the entire Consequences Series: Consequences, Truth, Convicted, and Revealed: The Missing Years. This companion is not a standalone book and should not be seen as such. This companion explores the thoughts and motivations of Anthony Rawlings and his struggle to accept the truth behind the consequences. It is not intended as a total rewrite of Truth, but meant to enhance the listener s understanding. Behind His EyesTruth contains significant scenes from the novel Truth, as experienced from Anthony s point of view. It also contains never-before-published, behind-the-scenes information, a glossary of the characters, and a timeline that grows from Consequences to include the array of new characters and revelations found in the pages of Truth. Behind His EyesTruth is the continued journey inside the mind of the man who survived the consequences. This companion allows listeners the opportunity to witness first hand as Anthony s world changes forever. His rules and control begin to slip away, threatened by the most unlikely foeman experience completely unfamiliar to him. Can something as pure as love and forgiveness wreak havoc on his well-planned existence? Continue the long and painful acquisition, as the truth becomes evident, from behind his eyes!.
