Meade and Ronan pull back the curtain on the airline industry and shine a bright light on the dark corners. Everyone who flies or cares about someone who flies should read this eye-opening account of the current state of commercial air travel. What you don't see can hurt you. Capt. Chesley Sully Sullenberger, retired airline pilot, consultant, speaker, CBS News Aviation and Safety Expert, and author of Making a Difference: Stories of Vision and Courage from America's Leaders and Highest Duty: My Search for What Really Matters. As with the Air France Flight 447 tragedy, much of the time air crashes are a confluence of events—a cascade of bad luck, bad decisions, inappropriate airline company policy, the failure of aviation regulators, and sometimes insufficient training, or various combinations of all five. Seconds to Disaster will demonstrate that part of that bad luck is often aided by the airline industry's own endless and aggressive pursuit of bottom-line profit which contributes to a creeping erosion of safety standards and puts both passenger and...
