And Kade s not the only thing coming between Kathleen and Blane. From Blane s inexplicable defense of a man guilty of a horrible crime, to a mysterious stranger from Kathleen s past, to Kathleen risky investigation into human traffickers, the obstacles mount against a relationship that s just begun to find trust again. While Blane considers a job offer that would take him back to the front lines in the war on terror, Kathleen is determined to pursue her new career, with or without his approval. Unfortunately, her current case is far more dangerous than anyone knows. Someone close to Blane will go to extreme lengths to split them up, lengths that may prove worse than death for Kathleen.
