

New Horizons in Eastern Humanism: Buddhism, Confucianism and the Quest for Global Peace (Hardback)

Filesize: 2.88 MB

Reviews

This written pdf is great. It is really simplistic but surprises within the 50 percent of the pdf. I realized this pdf from my dad and i advised this pdf to understand.

(Mr. Milford Jakubowski IV)

NEW HORIZONS IN EASTERN HUMANISM: BUDDHISM, CONFUCIANISM AND THE QUEST FOR GLOBAL PEACE (HARDBACK)

I.B.Tauris Co Ltd, United Kingdom, 2011. Hardback. Book Condition: New. 236 x 160 mm. Language: English . Brand New Book. China now attracts global attention in direct proportion to its increasing economic and geopolitical power. But for millennia, the philosophy which has shaped the soul of China is not modern Communism, or even new forms of capitalism, but rather Confucianism. And one of the most striking phenomena relating to China s ascendancy on the world stage is a burgeoning interest, throughout Asia and beyond, in the humanistic culture and values that underlie Chinese politics and finance: particularly the thought of Confucius passed on in the Analects. In this stimulating conversation, two leading thinkers from the Confucian and Buddhist traditions discuss the timely relevance of a rejuvenated Confucian ethics to some of the most urgent issues in the modern world: Sino/Japanese/US relations; the transformation of society through education and dialogue; and the role of world religions in promoting human flourishing. Exploring correspondences between the Confucian and Buddhist world-views, the interlocutors commit themselves to a view of spirituality and religion that, without blurring cultural difference, is focused above all on the universal heart : on harmony between people and nature that leads to peace and to a hopeful future for all humanity.
