Teens have big life questions and demand solid answers. Our youth are on the front lines of the war of the worldviews. To help them cement a biblical worldview, the experts at Answers in Genesis offer the Answer Books for Teens Volumes 1 and Volume 2. In volume 2, teens will find answers to 15 questions relevant to today's culture including: Don't fossils prove evolution? What about abortion, cloning, and stem cells? These things are good for society right? Did creation really take just 6 days or did God use the big bang? How can we be sure the 66 books of the Bible are the only ones from God? Answers to these issues are paired with dynamic designs created to appeal to today's student. This 96 page book makes a great study for youth ministries, small groups, and family devotions. It will be an excellent reference for church and family libraries.
