Canoeing the Congo: The First Source-to-sea Descent of the Congo River

By Phil Harwood

Summersdale Publishers. Paperback. Book Condition: new. BRAND NEW, Canoeing the Congo: The First Source-to-sea Descent of the Congo River, Phil Harwood, At 2,922 miles, the Congo is the eighth longest river and the deepest in the world, with a flow rate second only to the Amazon. Ex-Marine Phil Harwood embarked on an epic solo journey from the river's true source in the highlands of Zambia through war-torn Central Africa. With no outside help whatsoever he faced swamps, waterfalls, man-eating crocodiles, hippos, aggressive snakes and spiders' webs the size of houses. He collapsed from malaria, and was arrested, intimidated and chased. On one stretch, known as 'The Abattoir' for its history of cannibalism and reputation for criminal activity, the four brothers he hired as bodyguards were asked by locals, 'Why haven't you cut his throat yet?' But he also received tremendous hospitality from proud and brave people long forgotten by the Western world, especially friendly riverside fishermen who helped wherever they could on Phil's exhilarating and terrifying five-month journey. Author's documentary film of the journey, available on his website www.canoeingthecongo.com, won several awards and went on tour in North America with the Vancouver International Mountain Film Festival.

Reviews

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehend every little thing using this written e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
