## HUNGER BY DESIGN: THE GREAT UKRAINIAN FAMINE AND ITS SOVIET CONTEXT (PAPERBACK)

HARVARD UNIVERSITY PRESS, United Kingdom, 2009. Paperback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book. The years 2002-2003 marked the seventieth anniversary of the man-made famine inflicted on Ukraine and surrounding areas by Stalin s Soviet leadership. The Harvard Ukrainian Research Institute commemorated the anniversary with a symposium in October 2003 titled The Ukrainian Terror-Famine of 1932-1933: Revisiting the Issues and the Scholarship Twenty Years after the HURI Famine Project . This volume contains some of the papers presented at the symposium (previously published in Harvard Ukrainian Studies volume 25, number 3/4 ), including Sergei Maksudov s large-scale demographic study drawing on available documents of the era; Niccolo Pianciola s description of the denomadization famine in Kazakhstan from 1931 to 1933; and, Gijs Kessler s study of events in the Urals region from the same period. Also included in this volume are Andrea Graziosi s remarks on the present state of Famine scholarship and how it addresses the question of genocide, Hennadii Boriak s assessment of the current state of source material, and an essay by George Grabowicz on the legacy of the Famine in Ukraine today.
