Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

The visit of the Three Kings to the stable at Bethlehem is one of the most memorable and evocative of the Christmas stories. Filled with anticipation, and following an unknown star, the Magi begin the long quest to find the new-born king and to offer him gifts of gold, frankincense and myrrh. Geraldine Elschner's gentle and thoughtful text will engage readers of all ages. The story of the Magi is vividly retold and exquisitely illustrated with paintings by Renaissance Masters.
