

John Wayne and the Fierce Kuga-Kugas: A Book of Healing and Transformation (Paperback)

By Harvey R Wasserman MD

Dog Ear Publishing, United States, 2012. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Come meet Harvey. Share his healing and transformational journey. Absorb and laugh and wonder with him. As you get to know and feel trusting, let his over 50 years of psychotherapeutic experience touch you in subtle and obvious ways. Open the book, at least look at the unique table of contents. Read a bit. Does his writing appeal and move you? Does even this brief contact give you hope and enthusiasm and transformational commitment? That's what Harvey does in his office and in his writing. Both are exercises in neuroplasticity (shifting the way your mind responds to your inner self and your life). Who am I? I am the son of immigrant parents who valued education. Their values resulted in my B.S. in chemistry, medical school with graduation honors and a three-year fellowship at the prestigious Menninger School of Psychiatry. What followed was 50 years of psychotherapy practice and a professorship at Yale University College of Medicine, where I ran the training program at one of their teaching hospitals. I have studied with the outstanding therapists...

Reviews

This book will be worth getting. Better than ever, though I am quite late in start reading this one. Its been written in an extremely basic way which is only right after I finished reading this book through which actually altered me, alter the way I believe.
