

## Dracula - The Graphic Novel - Original Text

Filesize: 6.28 MB

### ***Reviews***

*Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).*

Classical Comics, London, 2011. Paperback. Book Condition: New. 1st Edition. 144pp Illustrated. [In stock in Australia, for immediate delivery] The Classic brought to life in full colour - using Stoker's wonderfully original words! I went down into the vaults. There lay the Count! He was either dead or asleep, I could not say which - for the eyes were open and stony but without the glassiness of death'. Jonathan Harker's business trip to Transylvania, to advise Count Dracula on the purchase of English property, soon turns into a living nightmare. Locked in Castle Dracula, Harker believes he will never return home to be with his beloved Mina. He heroically escapes, but is quickly dragged back into the Count's evil world, as he becomes involved with Van Helsing's plot to destroy the Prince of Darkness and his un-dead' - for the benefit of all mankind. Bram Stoker's classic vampire tale is one of the greatest horror stories ever written. It first appeared in 1897 and rapidly gained momentum with Victorian readers. Its popularity grew through plays, further tales and later with movies, to the extent that the story and characters have become part of our culture. Now, using powerful, dynamic and dramatic artwork by the wonderfully talented Staz Johnson, Classical Comics brings you an authentic adaptation of Stoker's masterpiece in this full colour graphic novel, for a reading experience you will never forget.
