Reviews

This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

36 WEEK JAM SESSION (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Musicians have multi-person jam session with a range of instruments; I had a solo jam session with a range of writing prompts. While in a homeschool writing course, I had to write a story a week for 36 weeks, and that was pretty cool. The result was a 36 story anthology. Take the survey at the end of the book to vote on which short story should be expanded into a book. Also look at the link to the writing course to see which short stories were the prompts to the stories I wrote. Let yourself cruise through emotions like surprise, shock, suspense, joy, love, and contentment. Are you ready?.
