Brand New Book ***** Print on Demand *****.A brief introduction to my parable The Apollonian Appearance. This is a fictional adventure story told in three parts about a being from the paradise planet of Apollo who is sent to planet earth by the Universal God to rescue earth from destruction by certain corrupt earthlings who plan to destroy it by nuclear force. The great powerful loving Universal God created His earth originally to be a paradise like His planet Apollo. The Apollonians accepted God s plan and way for them, but the earthlings did not, and instead were tempted by the evil opposite of God s way and chose their own selfish way of life and lost paradise on Earth. The story tells of the wrong way and the right way life can be. It is about paradise lost and paradise restored. It tells of the Universal God s devoted and divine love, and how life can be beautiful with happiness and perfect peace. Many truths and great knowledge is taught in a magical, miraculous and most enchanting way. The story becomes an enduring lasting lesson for all humanity to change into loving goodness, therefore bring about peace on earth, and finally the God given kind of paradise earth was always meant to be. The readers will fall in love with all the characters in the story, and all the magnificent beauty described in it. They will understand life in a new heartwarming way, and be transformed into a higher realm of being. This story is most unique and very uplifting. It is unlike any adventure ever told or even imagined before. It has been completely enjoyed by both young and old. All the readers..
