Granta Books. Hardback. Book Condition: new. BRAND NEW, The Seven Good Years, Etgar Keret, Over the last seven years Etgar Keret has had plenty of reasons to worry. His son, Lev, was born in the middle of a terrorist attack in Tel Aviv. His father became ill. And he has been constantly tormented by nightmarish visions of the Iranian president Ahmadinejad, anti-Semitic remarks both real and imagined, and, perhaps most worrisome of all, a dogged telemarketer who seems likely to chase him to the grave. Emerging from these darkly absurd circumstances is a series of funny, tender ruminations on everything from his three-year-old son's impending military service to the terrorist mindset behind Angry Birds. Moving deftly between the personal and the political, the playful and the profound, *The Seven Good Years* takes a life-affirming look at the human need to find good in the least likely places, and the stories we tell ourselves to make sense of our capricious world.
