Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Through eleven partially linked fictional stories we follow Danielle as she splits from a long-term marriage to find her way as a single woman living alone in a foreign country. Her search for both physical and emotional contentment and independence leads her to take risks in life and love from jumping off waterfalls, to discovering a gorgeous young caveman, and learning the art of marijuana growing and harvesting. Follow her journey as she intertwines intimate personal insights with wild adventures. The first story Of Time and the Mountain reveals that beginning a new life and building a house in an isolated part of a foreign country, Costa Rica, is rampant with challenges: physical, emotional and personal. The frayed threads of a long term marriage begin to unravel one by one. Learning a new language, meeting new people, living in a strange culture, subsisting in a primitive environment without basic necessities and learning to build a house in the jungle, bring a need for a little respite wherever it can be found. And find it Danielle does, whether it s going to local festivals in the mountain villages in San Anselmo, or looking for archeological artifacts in Fault Lines. Danielle travels back and forth between the U.S. and Costa Rica finding adventure wherever she is. New relationships blossom, grow strong, wilt, revive or die, but all are worthwhile experiences. With Danielle s newborn independence, taking risks in both love and life becomes necessity. A U.S. doctor is shocked by her little friend in My Friend George. Is there a real monster plying the Florida waters in Alligator Dreams? The apparition of a cave dweller appears to her through waterfall...
