Finding potential players; attending to the logistical details of scheduling practices, games, banquets and summer leagues; developing an adequate preseason throwing program that will work in a high school gym; efficiently cutting players after tryouts; and promoting a high school baseball program throughout the community - these are just a few examples of the myriad duties assigned to a high school baseball head coach. This reference work assists coaches in simplifying their many tasks. The easy to use, step-by-step handbook leads beginning high school baseball coaches and seasoned veterans alike from the initial phase of finding players and having that first team meeting, through the preseason weight-training and throwing programs, to the stage of cutting players.
