

Can You See What I See (Paperback)

Filesize: 4.25 MB

Reviews

Certainly, this is the finest job by any publisher. I was able to comprehend almost everything out of this published e book. You wont truly feel monotony at at any moment of the time (that's what catalogues are for concerning should you question me).

(Graciela Emard)

AUTHORHOUSE, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is what I see exaggerated. That is why this is fiction! With me a new twist of the conscious. We think but never speak about the sensitive side. Place in metaphors and statements, presenting reality and a bonus of fiction. Welcome to my sighting, vision, and exaggeration of what could be true. Become my eyes, as you focus on the words. Now can you see what I see? Twisting scenes, transferring thoughts to an emotion, touching the unseen, holding hands with fear, realizing it s truth to an open opinion. This is why I felt compelled to tell the story. A plan from deep within set a sail for my new adventures of what I see, and what I think I see, and to learn the difference. Taught speak no evil, see no evil, hear no evil, so I wrote it instead. These rules were never clarified outside the main ingredients. So telling the story this way makes it easier for my conscience, releasing a poison that was slowly trying to kill a humble soul. Sins and unwanted memories can be at peace, through the conclusion of a fictional story. Or is it? My gift of a fictional horror with an inspirational meaning. Read my exaggeration, and form your opinion of a book called Can You See What I See? I m not a big fan of gambling, but I bet a pocket full of coins that this book is different, heads or tails. P.S. Remember three is a charm. Two more will follow.
